NOTICE OF PROPOSED RULE MAKING

Adopted: February 14, 1997

Released: February 21, 1997

Comment Date: April 14, 1997

Reply Date: April 29, 1997

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by Windy Valley Broadcasting ("Windy Valley"), proposing the allotment of Channel 229A to Colstrip, Montana, as that community's first local broadcast service. Windy Valley submitted information in support of the proposal and stated its intention to file an application for Channel 229A if the channel is allotted to Colstrip.

2. In support of its request, Windy Valley states that the allotment will provide Colstrip with an outlet for local self expression as well as providing information to the area during emergency conditions caused by severe weather. Windy Valley notes that the closest FM allotment to Colstrip is located at Forsyth, Montana, which is 37 kilometers from Colstrip. According to Windy Valley, Colstrip is located in east central Montana, in Rosebud County and has a population of 3,035 people.¹

¹ The 1995 edition of the Rand McNally Commercial Atlas indicates that Colstrip is a census designated place with a 1990 Census population of 3,035 people. The community has its own post office and zip code and is located in Rosebud County with a population of 10,505 people.

3. We believe Windy Valley's proposal warrants consideration. A staff analysis has determined that Channel 229A can be allotted to Colstrip, Montana, in compliance with the Commission's rules without a site restriction.²

4. In view of the fact that the proposed allotment would provide a first local broadcast service to the community, the Commission believes it would serve the public interest to propose amending the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

Community	Channel No.	
	Present	Proposed
Colstrip, Montana	-----	229A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **April 14, 1997**, and reply comments on or before **April 29, 1997**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.
